Ph.D.

A flexible curriculum and interdisciplinary education to prepare students for success

Besides double majors/minor programs which do not require extra tuition, CCU offers more than 60 courses for interdisciplinary studies to develop students' ability and skills in various fields. CCU has worked with more than 700 enterprises to cultivate talents, giving CCU students thousands of internship opportunities. Among these enterprises, many are top companies in various industries.

Students engage in student clubs or organizations to enhance their university experience

There are over 100 school clubs on CCU campus, offering various extracurricular activities and internship opportunities. Many students' associations including Overseas Chinese Students Association, Hong Kong & Macau Student Association, Malaysian Students Association, and Indonesian Students Association have won the Best Award for University Student Club.

Going Global from CCU

CCU has established partnerships with around 400 universities worldwide. Hundreds of students participate in inbound and outbound exchange programs each year.

Our partner universities include Heidelberg University in Germany, University of Edinburgh in the UK, University of Lille in France, University of Siena in Italy, Waseda University in Japan, EwhaWomans University in South Korea, Purdue University and University of Iowa in the USA, and University of Western Sydney in Australia, just to name a few. These prestigious universities offer CCU students a great learning experience.

Dual Degree Programs

CCU students can choose to study for the dual degree programs, which grant them not only CCU degree but one from the host universities if they are admitted and meet the requirements for graduation.
